I am working as a Front End Developer at Ron Digital Startup Agency

EDUCATION

V. N. KARAZIN NATIONAL UNIVERSITY

2017 — 2018

One of the oldest universities in Eastern Europe. It was founded in November 1804. I received English preparatory education here.

NATIONAL AEROSPACE UNIVERSITY

2018 - 2022

The National Aerospace University "KhAI" is a leading Ukrainian technical University that provides a full cycle of higher education in the field of aviation and aerospace engineering. When I was in my second year, I had to return to my country due to the pandemic that surrounded the world, and I could not complete my undergraduate education due to the Ukraine-Russia war.
